

ANZSCTS ASM 2024

Generation next: Cardiothoracic surgery for the future
Thursday 7 – Saturday 9 November 2024 | Sofitel Noosa, Australia

AUSTRALIAN AND NEW ZEALAND SOCIETY OF CARDIAC AND THORACIC SURGEONS (ANZSCTS)

The Australian and New Zealand Society of Cardiac and Thoracic Surgeons was formed to serve the medico-political needs of cardiothoracic surgeons in Australasia. It has amalgamated with the Division of Cardiothoracic Surgery of the RACS. The Society plays an important role in the development of Cardiac Surgery services in Australia. The Society in conjunction with the Cardiac Society maintains the Journal, *Heart Lung and Circulation*.

PRE-MEETING WORKSHOPS

ANZSCTS ROBOTIC WORKSHOP

Wednesday 6 November 2024

Please join us for the first ANZSCTS robotic workshop supported by Device Technologies!

Attend either a full day workshop or one of the thoracic or cardiac focused half-day workshops. Talks will include practical 'how I do it sessions', disaster management and program optimisation. There will be the chance for some hands-on time with the robotic console and our expert proctors. Designed to be suitable for experienced robotic surgeons as well as those with less experience or just starting. We encourage you to register early as numbers are strictly capped at ten participants per half day to allow plenty of opportunity for hands-on time.

Half Day: \$150.00 (Thoracic AM **OR** Cardiac PM)

Full Day: \$300.00 (Cardiac **AND** Thoracic)
